- Introductions
- Purpose and Intent
- Objectives
- Administrative Process
- Established Districts
- Design Standards

Purpose and Intent

Supplement existing development criteria with specific criteria that applies to the design of commercial development

Objectives

- Protection of adjacent residential land uses
- Enhancement of commercial status
- Reduction of visual distraction through uniform design criteria
- Enhancement of appearance through increased landscaping
- Implementation of the City of Homestead history through street furniture
- Increase pedestrian-oriented facilities
- Implementation of sign regulations
- Establish development incentives to achieve these objectives
- Achieve aesthetic compatibility throughout the commercial districts

Administrative Process

- Amending Section 30-2 of the City Code to include Statement from City's Urban Designer
- Required documents stated within the City Code

Established Districts

- Campbell Drive Corridor
- SW 14th Avenue / SW 8th Street
- Flagler Avenue Corridor
- South Dixie Highway
- Pioneer Commerce Park
- Campbell Drive East Corridor
- NW 15th Street / Krome Avenue North Limit Corridor
- Park of Commerce Corridor
- Southwest Neighborhood (*reference existing SW Neighborhood Master Plan*)
- Krome Avenue Historic District (*to be added as an amendment referencing regulations already in place*)

Comments from Historic Preservation Board and Homestead Main Street, Inc.

Homestead Main Street Inc., and the City's Historic Preservation Board had several concern regarding the proposed Commercial Overlay District #8 – Krome Historic District. These comments are currently being addressed and changes are being made to include this area at a later date.

1. Regulations for these 2 separate areas should be drafted to reflect there respective characters
2. The proposed National Register District shall reference the Secretary of Interior Standards for Rehabilitation adopted for the district (effective upon official designation
3. Cross reference shall be made to existing and proposed Ordinances and Regulations
 1. Chapter 14, Article III, Section 14-43 (b) (Historic District Standards)
 2. HPB Resolution R2005-10-26 approved color chart for properties located within the historic district
 3. Chapter 32, Article II, Section 32-6 (Paint Color Exemption)
4. The HPB will use the Architectural Design Guidelines (1995) to govern the historic district (historic designation pending)

01-Campbell Dr.
02-SW 14th Av.-NW 8th St
03-Eagle
04-Lone Highway
05-Pioneer Commerce Park
06-Camp
07-Krome Av. North Limit
08-Park of Commerce.
09-SouthWest Neighborhood

We will be closely working the representatives from both the Historic Preservation Board and from Homestead Main Street, Inc. in order to create the best possible boundaries and regulations for this area.

Conclusion

- The Commercial Design Standards were established to create a sense of place in the City of Homestead.
- These guidelines will create standard and fair regulations for all applicants.
- The quality of commercial development within the City will be elevated.
- We greatly appreciate your attention and input.
