Homestead, FL 33030

AFFIDAVIT FOR 30-DAY TEMPORARY ELECTRIC SERVICE

(To be executed by Owner and/or Tenant & Electrical Contractor)

ELECTRIC SERVICE WILL BE DISCONNECTED WITHOUT NOTICE UPON 30-DAY TERMINATION UNLESS APPLICATION IS REVISED.

It is understood that the temporary electrical approval by the City of Homestead Development Services Department give in connection with the building being constructed under Building Permit No. _____ and Electrical Permit No. _____ address _____ For (Owner) _____ is being given only for construction purpose or for testing the following installations being made in said structure.

The National Electric Code Section 590.3 permits temporary electric power during the period of construction, during emergencies and for tests, experiments, and developmental work for a period not to exceed 90 days. The Electrical Contractor and Owner do hereby agree to assume the responsibility of maintaining the installation in such a manner that there is no harm to life and property.

Such approval is in no event to be considered a release of said structure for purpose of use and occupancy shall be granted or permitted until final inspections have been called for and approved by the inspection division concerned and an occupancy permit obtained.

The undersigned also understands that the temporary electric approval is subject to reclusion and cancellation, and electric power can be cut off at discretion of the Building Safety Division and will be disconnected if the building concerned is occupied before final inspections are approved and occupancy permit obtained.

I, _____ being first duly sworn, depose and say that I am the Owner of the above described property, and that I agree that the structure covered in this agreement shall not be occupied until the building contractor has obtained approval or final inspections.
